Key Business Insights

Summery Of Sales, regional and Shipping Performance

01. Overall Performance

Scales And Profit are highly concentrated. Food and Disposables contributes strongly to both sales and profit, While several smaller categories contributes substantially less.

02. Regional Performance

East Is the Strongest region across sales, profit and total orders, while central is the second largest contributor.

the other region also requires further reviewed due to its unusually low contriburibution.

03. Overall Performance

High Shipping costs may erode profitability especially in categories with high shipment volume.

Food and supplements should be reviewed for packaging, weight, order size and shipping rate efficiency.

Key Takeaways

- Focus on profitable growth, regional balance and shipping efficiency.
- Review Weaker markets and reduce shipping cost in high cost categories.
- Regional concentration may increase dependency.
- sales performance is concentrated in fewer categories.
- Food and Disposables leads sales and profit
